WILMINGTON PLAYS WOBURN TODAY

Wilmington's High School baseball team, in its most successful year in over a decade is to face the Woburn High School team in a game at 3:15 pm. today, for the Quarter Finals in the State High School League Tournament.

The game is to be played on a 'neutral' field, the Washington Street playground in Rea-

ding.

Wilmington defeated the second team in the Lowell Suburban League, last Friday - its old rival Dracut, and then went on Tuesday to defeat Swampscott, at Lynnfield.

It was scheduled to play the winner of a Woburn-Dracut game which was to have been played Tuesday, but was rained out.

Woburn defeated Dracut yesterday afternoon, 7 to 4.

Woburn's win and loss record for the season is 14 wins and 3 losses, in overall games, and 12 wins and 2 losses in league play.

Both teams, for the state tournament are classified as Class B.

DRACUT & SWAMPSCOTT DEFEATED

It became Iron Man Frotton last Friday on the Wilmington High School field as Ricky Frotton went the whole seven innings, and improved with each inning, defeating Dracut for the Lowell Suburban League championship.

An expected pitcher's duel never materialized. Frotton

to relieve Raymond in the third.

Frotton allowed six hits and fanned 10 men. He bore down more heavily as the game progressed, and no Dracut runner reached second after the third inning.

Dracut made their first run in the first inning when cat-

Dracut took four in the first half of the second, aided by a balk called on Frotton, and an error. Then Wilmington took four on its own account.

Mike Farrell was on second base, and Jeff Williamson on third when Jimmy Gillis who headed the Wilmington batting order, came up to the plate for the second time.

Gillis knocked a grounder towards first, which was returned to the Dracut catcher in an effort to tag out Williamson. But the Dracut catcher (Eldridge) got spiked, and Jeff was safe. Eldridge then threw towards second, trying to get Gillis but the ball fell short and Farrell trotted home as Gillis continued on to third.

The Dracut second baseman then threw to third, but the third baseman dropped the ball as Gillis made it by a slide. Wilmington made two runs, and a man on third, by the triple error, and then Jimmy Melzar hit a triple, scoring Gillis, and he in turn was driven in by Joe Beaton.

WILMINGTON GIRL SCOUT DAY CAMP PLANS

Camp Wigisdaca is to be open this year, at Camp Forty Acres during the second and third weeks in August. The dates will be August 7 through 10 and August 14 through 17. This will be Wigisdaca's ninth year of operation.

Girls from Wilmington, Billerica, and South Tewksbury are to be included this year, in an enlarged operation. All girls will be present at the same time, during the camping period.

Mrs. Charles Crotty, Silverhurst Avenue, is Camp Registrar, and all registrations will be payable to her.

The last date for registration will be June 23rd.

The cut off date has been set in order that staff preparations may be complete at the time of camp opening.

Mrs. G. Earle Camber is again to direct the camp activities.

Girl Scout families and friends are being urged to take part in the Annual Clean-Up Day at Camp Forty Acres, next Saturday.

Further information on Camp Wigisdaca can be obtained from Mrs. Crotty, 8-2179 or Mrs. Rawson, Camp Site Chairman, 8-4657.

ONE HOUR WAIT FOR QUORUM

179 voters of Wilmington came and some went again, before the town could get around to voting to accept Ainsworth Road, in North Wilmington, so that Insul-Tab, a new industry, could get a permit to build, on its property.

The meeting was called for 8 pm, but it wasn't until 9:21 pm that Moderator Simon Cutter could get a quorum and called the meeting to order. In the interim some of those who had been checked in had left, but 156 voters were present when a count was made, after the second article.

Ainsworth Road was accepted on motion of Selectman John Brooks, and the town voted to install water on the street, under the Betterment Plan, on

motion of Waldo Stevens. The citizens were not prone to arguments, but wanted to get the business over as quickly as possible.

Brooks told the meeting that there was a possibility of another industry locating in the same area.

The town also voted to make an exchange of real estate with the Middlesex County National Bank, adjacent to Olson Road. The bank owned a right of way, through the Fire Chief's office, a matter which had been hanging fire since 1951, and is now settled.

\$242.60 was voted to pay an old hospital bill, of former years, and \$100 was appropriated from the Sale of Land account, for work on making a street of Ainsworth Road.

LEAGUE OF WOMEN VOTERS OFFICERS
Officers of the League of Wilmington Voters installed Tuesday evening in the Wildwood School. Left to right, Mrs George Robertie, First Vice President, Mrs Henry F. Sullivan, President; Mrs Bruce Benson of Amherst, State President; Mrs Stanley Bryn, Secretary; Mrs Peter Stratoes, Treasurer; and Mrs Philip Andrews, Second Vice President.

LEGIONAIRE MORRISON

Mrs Laura Morrison, of Silver Lake, 73 years old, who was the lady reported in last week's Town Crier who marched the entire distance in the Memorial Day Parade.

She served with the Yale Hospital Unit in World War I, and had nine months service just behind the front lines.

Mrs. Morrison carried her father's Civil War medals in her pocket during the Memorial Day parade.

PIGGYBACK TRAIN DOES IT AGAIN

A Piggy Back Freight Train, of the Boston & Maine RR, hit the underpinnings of the Shaw-sheen Ave. bridge, Sunday night, closing the bridge to traffic, Monday.

A truck trailer, mounted on a flat car, was 'scalped' by the bridge's underpinning. The roof was reported to have been rolled back like the top of a sardine can.

This was the second time in recent weeks that such an accident has occurred.

BACCALAUREATE SERVICES

WINNER OF 5 STATE & REGIONAL AWARDS

CECIL'S GOLD MINE

There wasn't too much enthusiasm on the part of Wilmington voters for establishing industry in a piece of land-locked land in No. Wilmington Monday night. The great majority of the voters simply stayed away in spite of the fact that the TM had been beating every possible tocsin to get out the vote.

There is no good reason why the land should be used for industry - no better reason than in other parts of town. It would seem though that Cecil has got off his log, inspired perhaps by a few past items in this column. But there are some curious circumstances that are worthy of comment.

The lady who bought the land on which she can now build got a bargain. Industrial land in Wilmington sells for up to \$10,000 an acre if suitable located. Reportedly she got four acres for a couple of thousand dollars.

The land sold for this price because it was land locked - no legal road to get in there. The firm which had owned it had tried to develop, but was stuck - the same fix in which the lady would have found herself if the town had not voted to accept Ashworth Road, Monday.

One of the questions the voters were asking was "How much money is the town going to spend to get these \$3000 in taxes?"

Some of the people who stayed away didn't want to attend because they suspected the worst - and they didn't think it would be fair to people who are paying for their streets on the Betterment Plan. They didn't want to stop Cecil's chances, but they just didn't want any part of it - in case the Selectmen were proposing to spend a lot of money for that \$3000.

Another item that stuck in the craw of some voters was that the Town is making a huge present to Steve Hathaway. Steve owns 36 acres up there, about 25 of which he has already converted into useless lakes. More than any other person Steve was the power behind the late gravel war - the war that left more than a few acres of land in Wilmington in an absolutely useless condition. And now the Town has given Steve a nice present.

The Selectmen, it must be remarked, were quite naive in calling the Town Meeting the way they did - they were asking for trouble, and were just lucky that they didn't get it.

Had sixty persons wanted to they could have tied every thing up in knots Monday night. A determined group would have had no trouble in attracting another 15 voters, and Cecil's Gold Mine could have been tossed right out the window.

But we are happy that the TM seems to have got off the log. If that had happened a year ago things would have been much better in this town.

TOUGH SLEDDING AHEAD FOR JOHN J. DRONEY

John J. Droney, District Attorney of Middlesex County is having his hands full at the present time. Even the President of the United States has been reported as having set his hand against Mr. Droney.

The District Attorney has a sworn duty to investigate crime and report to the Grand Jury. Mr. Droney investigated the circumstances surrounding a murder in East Cambridge jail, and reported to the Grand Jury.

That Jury has now indicted a man in a high political position - and Mr. Droney is in for a lot of trouble. There will be fireworks in the months ahead. Mr. Droney is not to be envied for his position.

THE TOWNIES ARE QUITE A BALL TEAM(S)

Gildart's Townies, of Wil- ball team. Long the empire of mington, is, or are, quite a Cagy Sam Ethier, now managed

This Cuban heel,

Or is he our Achilles'?

by Jimmy Tighe, with Cagy Sam being Manager Emeritus, the team is in two leagues, and plays four or five games a week.

It's quite a feat. They lead in the Wilmington soft ball league, and they lead in the Wakefield soft ball league, and up to the time of this writing they have yet to lose a game this year. They don't know how many they have won, but they are certain they have not lost any.

Jimmy Tighe, as the Manager, finds his hands are full of problems - the main one being to keep the players coming every night. He doesn't quite know it, but some of the wives of the Townies are preparing to have a Necktie Party, with Jimmy to be the Guest of Honor - said Necktie to be composed of First Class Kemp. They want their husbands home once in a while.

There are 22 players in the Townies, 18 of whom are signed up to play in Wilmington, and 18 signed up to play in Wakefield.

Up to the last day of May the manager, assisted by Cagy, has been able to produce a full team for every game.

But on the last day of May Disaster almost struck. The Townies had two games scheduled for the same time - one in Wilmington, and one in Wakefield.

Two of the players were on honeymoons - three had to work - that left a total of 17, to play two games at one time.

It was pretty tough arithmetic, Jimmy and Cagy agreed.

Anyway, Cagy Sam was delegated to take care of the Home Defense, while Jimmy led the Expeditionary Force, down to Wakefield, with the hopes that the team would be able to pick up a player (as is allowed) from among the spectators.

Now it so happened that there were two spectators who were interested in the Townies fortunes - one of them being Larry Gildart, their owner, and the other being another Larry by the name of Cushing, who is Athletic Director of the Wilmington Public Schools, and once upon a time, some years ago, threw a few balls for the Red Sox.

Larry filled in, and the Townies won a tight game - 5 to 3. Larry, of course was relegated to the outfield, but he has a far ranging glove, and after the game was over Jimmy Tighe was approached by the owner, Larry Gildart.

One Larry wanted the other - right then and there - for the Townies.

It was the kind of music that Cagy Sam would have loved to hear a few years ago, when the Townies were passing the hat at their ball games - and averaging a collection of 15¢. Imagine, having an owner who is interested in recruiting talent!

But Larry Cushing has other commitments, and Larry Gildart wasn't able to entice him into the Townies.

Meanwhile, in the Home Defense Squad things weren't going so well.

Cagy had put his brother Dick in as pitcher. Dick, like Cagy is no longer a spring chicken. He went along all right for four innings, and then the sky fell in.

The Weinbergs (against whom the Townies were playing) entered that fifth inning with a score of 7 to 1, against them.

Then Dick Ethier got tired. The balls were going wild, and one after the other Weinberg players walked.

To make it worse, one of the spectators was Lloyd Belbin, and, as Town Meeting havitues know, Lloyd likes to talk.

Lloyd is a loyal player in the Polcaro team, and he saw his chance. He would like to see the Polcaros, not the Townies, at the top of the league and if his twlking could help, he was willing to talk.

He kept an incessant stream of chatter directed against Sam-in fact he was unmerciful. Sam didn't say a word - he didn't even bite his fingernails - but finally he sent in Butch McPeeters as a relief pitcher, and put Dick in at Butch's second base.

Butch didn't do any better, and in that fifth inning the Weinbergs scored 15 runs!

It was a holocaust, and the only chance the Home Defenders had was for some of the Expeditionary Force to come back and join in.

When the seventh and last inning began the score was 16 to 9. The Townies had stiffened

up their defense, but oh were they tired!

Sam kept watching the hill over which any of the other players might come, while his players held the Weinbergs scoreless, during that first half of the seventh.

It was just sheer playing on nerve. The Weinbergs were held and the Townies entered the last half, with seven or more runs to be made.

They made a hit, and another one. They got a walk. One by one the runs kept on crossing the plate.

Finally, like the Texas Ranger who came to quell the riot over the Hill came One Townie-Jimmy Melzar. He sauntered down and innocently asked Sam how the game was going.

'Get in there!' said Sam. 'Get in there and give us a hit!'

'Okay' said Jimmy - 'Wait until I get my spikes on'.

'Never mind your spikes - Go in there barefoot!' roared Sam with Belbin providing the orchestral accompaniment.

It would be nice to relate that Jimmy went in barefooted and provided the timely hit that was so needed - but he did wear his shoes.

And he provided that hit - so that when the end of the seventh finally came the score was tied - 16 to 16.

Then Umpire Leo Woods called the game on account of darkness, so that it will have to be played over again.

But by then the Honeymooners will probably be back - and maybe Larry Gildart will have succeeded in enticing Larry Cushing into wearing the Townie Uniform.

SNAPS OF WILMINGTON'S TEAM IN ACTION

**JIMMY GILLIS**

Seemingly dancing on tip-toes as he crosses the plate, Jimmy is going to be the mainstay of the team in a year or two. He leads the team's batting order

**ALL ROUND SPORTSMAN**

Kevin Fields, shortstop, is top-notch, but once in a while he gets the coach furious.

**CRACKER-JACK AT FIRST BASE**

Co-Capt. Joe Beaton is Wilmington's First Baseman, and a fine player.

**JEFF WILLIAMSON**

Still a sophomore, Jeff is going to be a man to watch in the next two years. As a pitcher he is not up to Froton, but he is improving all the time.

**A BALL AT KNEE HEIGHT**

Sometimes is a problem for Ricky Froton, best pitcher in the Lowell Suburban League and one of the best in the state High School teams today.

**THE NAME IS MELZAR**

And that name means good base ball in Wilmington, for the past 60 years. Jimmy plays Second base.

**CASEY LIKES WALKING**

A leisurely unhurried trip across the plate, while scoring, is a wonderful thing for the nerves says Eddie Casey. Sometimes he even has time to watch the opponents outfield climb fences, looking for the ball.

Casey is believed to be the only player who has hit the side of the back wing of Wilmington High School. His batting average for the season is .380.

**NEWS COMES TO THE
TOWN CRIER OFFICE**

It isn't often that news happens in a newspaper office, but that is what happened in the office of the Town Crier Tuesday night.

The events of the day were being written up, when a young man came in to ask directions. He was followed, a few moments later, by State Policeman Dick Barry.

Barry had noticed the young man, by the side of the highway, thumbing a ride, and had turned around and driven back to question him. When he was not to be seen he too went into the Town Crier office because of the brightly burning lights.

The young man, it turned out after a lengthy questioning, was AWOL from the US Air Force, and was stationed in Albuquerque, New Mexico. He left the Town Crier office as a guest of the Massachusetts State Police.

**TEACHER'S ASSOCIATION
TO AWARD \$1600 SCHOLARSHIPS**

The Teacher's Association's gifts are to be duplicated next year, with similar \$400 scholarships to two students. The awards will be combined with the usual \$200 yearly grant. The extra money was made available through funds raised in the Association Musical Comedy 'Mardi Gras in New Orleans'.

**MIKE WEINBERG HIT
A HOLE IN ONE**

Mike Weinberg, Burlington Ave., owner of Weinberg's Dept Store in Wilmington Square hit a Hole in One, while playing golf at the North Reading Course, Sunday afternoon.

Mike hit the ball for a distance of 200 yards, on the ninth tee. It is now in possession of the Golf Pro, at the club, and it is understood he plans to have it mounted as a permanent trophy.

FATHER CROKE AND EDDIE SHELLEY
The Rev. Edmund Croke, pastor of St. Thomas Church, and Eddie Shelley, of the Holy Name Society, were honored by special services in St. Thomas Church last Saturday evening.

Above, Bishop Riley, speaking from the pulpit, conducts the testimonial. Below are some of the Acolytes, as they left the church in procession, after the services.

The Wilmington Teacher's Association is to award two scholarships, worth \$400 each, at the High School graduation exercises, next Sunday, Association President Walter H. Pierce has announced.

The graduation exercises are planned for the football field at 4 pm Sunday, or at 7 pm next day, in case of rain.

**78 SCOUTS HAVE
WEEKEND CAMPOUT**

78 Wilmington Boy Scouts, with assorted Scoutmasters, Assistant Scoutmasters and Troop Committeemen spent the weekend camping on a farm in Dunstable, and returned home Sunday night tired, happy, and slightly sunburned.

The camping was by patrols and was in the nature of patrol competition, with so many points for clean area, the correct pitching of tents, etc including also the winning of several different foot-races.

24 boys and two leaders went from Troop 59, Arthur J. Milley Scoutmaster, Asst. Scoutmaster Bill Eckberg of Lowell Street had to sit up all night to prevent 'tent peg raids'. There were no mishaps.

Troop 63, Ed Wells Scoutmaster, had 19 boys under charge of Troop Committeemen Sal Provenzano. With a total possible score of 750 the boys made an overall score of 680.

Asst. Scoutmaster Bill Frost of Lowell Street was in charge Friday, and Scoutmaster Ed Wells of West Street on Saturday.

Troop 56 was in charge of Troop Committeemen Bill Rush, with Asst. Scoutmaster Bud Platt in charge on Saturday and Scoutmaster Herb Higley in charge on Sunday.

There were 35 boys in the Troop who were present, and they report there was a considerable amount of 'tent-pegraiding' that kept them awake on Friday night.

When Bud Platt returned home to Wilmington on Saturday evening he took with him Scout Jack Burns, of 197 Federal St. who was suffering from a stomach ache.

It turned out to be a case of appendicitis, and young Burns was rushed to Winchester Hospital. He has been operated on and is now feeling fine.

MCKELVEY'S CAT BECOMES A CASUALTY

The family cat at the home of Harold W. McKelvey, in South Wilmington, had the luck of the Irish, Tuesday afternoon, when the home was struck by lightning. After the firemen had left the cat, seemingly thinking of the dangers he had undergone, sought refuge in a convenient hole which had been opened, behind the piano. The hole led into the hot air furnace, and McKelvey had to disassemble the furnace to get the cat out.

When the cat was finally rescued he leaped from McKelvey's arms and landed in a bucket of paint. He then had to submit to the crowning indignity of being washed with kerosene for over half an hour, with suitable restraining periods during which McKelvey, in vain, tried to persuade kitty that 'this hurts me more than it hurts you'. Kitty wasn't impressed with the arguments.

THE WOBURN HIGH SCHOOL TEAM

The Woburn High School baseball team, which Wilmington faces today is one of the better teams in the game this year.

Essentially it is the same Babe Ruth team which won the Mass. State Championship last year, and was only defeated for the New England Championship by Hartford, Conn.

But at the same time it is a team which was defeated by Swampscott only a few weeks ago - the same team which Wilmington defeated so handily Tuesday.

Woburn started the season with 11 straight wins, and then went into a batting slump and lost three out of four games as a result, up to last weekend.

There are only three Seniors on the team, most of the rest being Juniors.

The Star is a combination of Ricky Protton and Eddie Casey. He is Jack Rotondo, the best batter Woburn has had in the past 20 years. Joe App saw Jack hit a homer, the other day, in Ferullo Park, that measured over 400 feet. It was the longest hit that Joe had seen in 36 years of watching games at the park. The ball crossed the old Middlesex Canal, and Joe could recall only one player before who had even put the ball into the canal.

Rotondo is a southpaw swinger with a level swing. He murders a high outside pitch. Two of his four homers this year went to center field, the third went to right center, and the fourth to the center of right field. He hit .391 as a sophomore, .348 last season, and up to Tuesday had a .314 average for this season. The Bruins have been out scouting Jack.

Jack pitches left hander, and won six out of eight games he pitched this year, losing to Winchester and Swampscott.

LL GAME MAKEUP, SUNDAY

A make-up game, between the Indians and the Yankees, will be played at 2 pm Sunday, in the Little League Park.

JACK ROTONDO
LITTLE LEAGUE DECAL DRIVE NEXT WEEK

President John F. Kennedy has designated the second week of June, 1961 (starting next Monday) as National Little League Week. The proclamation, says Joe Peters, Little League President, bespeaks the high regard for the integrity, motivation and discipline of the Little League ideals.

Wilmington's Little League will conduct its annual Decal Drive during the week. The decals will sell for a minimum of fifty cents, although any offering over this amount will be appreciated.

COMMISSIONED IN COAST GUARD

Cavallaro, son of Mr. and Mrs. Salvatore Cavallaro of Grove Avenue, who was given a commission as Ensign, United States Coast Guard, following his graduation yesterday, from the Coast Guard Academy in New London, Conn. He has been assigned to serve on the Coast Guard Cutter Earellaria, operating from Portland, Maine.

METHODIST MINISTER URGES CHRISTIAN RESPONSE TO CUBAN CRISES

The Reverend Terry Clay Thomason, pastor of the Wilmington Methodist Church, said in last Sunday's sermon that Americans should respond 'positively' to the so-called 'tractor trade' ultimatum, issued by Fidel Castro.

'The world will be watching us' Mr Thomason said, 'to see what kind of values we express in response to Castro's blackmail or ransom, or whatever you wish to call it.'

Lewis Carbone Jr. of Lowell Street was involved in an accident in Woburn Sunday night which has a strange co-incidence.

Carbone's car hit a new Lark owned by a Reading man who works for Nick De Felice. The Lark rolled into a home, and set the home on fire, in what the Woburn Times headlined as a 'freak' accident.

A year ago the Reading man lost a new car, - this time a Thunderbird. He was driving in Wilmington, and he was sideswiped by another car, with the result that the Thunderbird was demolished.

The accident was right in front of the Carbone home.

WILMINGTON & DRACUT
 (cont. fr. Fr. Pg.)

Gass, playing second for Dracut, was thrown out at third, in the third inning. It was the last time any Dracut runner got beyond second base, as Ricky kept complete control of the game from then on, allowing one walk, one single, and forcing Raymond to ground out in the last play of the game.

Casey Hits 360 Foot Homer
 in Swampscott

The Swampscott players seemed very impressive in their practice fielding, before the game but it took only a little play before the Wilmington boys whittled them down to size.

Casey's home run, in the second inning, in which he drove in two runs was the blow that settled the game. Casey's ball sailed handily over a seven foot fence, about 350 feet from the plate, in right center field.

Ricky Frotton, the iron man, pitched the first five innings striking out three, walking two, and allowing six hits and two runs. He was relieved by Jeff Williamson, up and coming Sophomore, who in four innings struck out two, walked one, gave two hits and one run. The Swampscott pitchers, all three of them, gave 10 hits, walked 12, and struck out six. Sjogrin pitched two innings, was relieved by Rollins who pitched four and one-third and was pulled out after walking two men. His relief, Dilisio then just as promptly walked two more.

The Second and Third Innings were Wilmington's best. There were four runs in the second, with Casey's homer accounting for two of them.

In the third inning 12 men were up at the bat for Wilmington, and seven scored.

Casey doubled, scoring Beaton and Fields, Frotton followed with a single, scoring Casey. Farrell walked, and Damelio reached first on a fielders choice, then Farrell scored on a third baseman's error on Jimmy Gillis' ground ball.

There were three runs in the sixth, Gillis walking with the bases loaded, scored Frotton, and Beaton singled, scoring Williamson and Damelio.
